The session...

It starts with a phone call. The Expressions session can be booked at anytime and no consultation is required. The sessions are 30 or 60 minutes.

The session can be as simple or elaborate as you make it. Dress up, or wear your favorite t-shirt. Bring the family, bring a friend, bring a pet, or just bring yourself. We recommend coordinating clothing for groups.

Throw your inhibition to the wind! These sessions are designed to be fun and it is our goal to reveal the true character in everyone.

The viewing...

We will project your images for you within a few days of your session. This will enable you to collect your thoughts and leave any distractions behind. We want you to relax and enjoy the show. Our staff will discuss with you the best presentation options for your images.
